LaJae Coleman graduated from Louisiana State University (LSU) in May 2016 with a Bachelor's degree in psychology.

Kortney Wooten, B.S.
Clinical Assistant

Kortney Wooten graduated from Louisiana State University (LSU) in May 2016 with a Bachelor's degree in psychology.

Darlyne G. Nemeth, Ph.D., M.P., M.P.A.P.

Clinical, Medical, & Neuropsychologist

Founder & Clinical Director, The Neuropsychology Center of Louisiana

Dr. Nemeth is currently in practice at The Neuropsychology Center of Louisiana, where she has a broad-spectrum practice in the areas of Clinical, Medical and Neuropsychology. Her practice interests, specifically in the area of neuropsychology, include working with individuals who have brain-behavior dysfunction either due to head injury, medical trauma, and/or aging, as well as attention deficit disorder, learning disabled, and other special needs individuals. She has considerable experience in individual and group therapy. She has written two book chapters, one on the history of psychotherapy in the United States and another on anger management for children. Dr. Nemeth and colleagues co-authored a book, *Helping Your Angry Child*, which was released by New Harbinger Publications in March 2003; she has recently co-edited a book on environmental trauma titled, *Living in an Environmentally Traumatized World: Healing Ourselves and Our Planet* (2012), and an anthology, titled, *Ecopsychology: Advances from the Intersection of Psychology and Environmental Protection* (2015). Her next book for Elsevier Press will focus on *Individual and Community Resilience: From Theory to Practice* (2017).

Dr. Nemeth is currently serving as Co-Secretary for the World Council for Psychotherapy (WCP) and is a WCP/DPI/NGO Delegate to the United Nations. She has been nationally and internationally recognized for her work in the area of Ecopsychology and her community Hurricane Anniversary Wellness offerings post-Hurricanes Katrina and Rita.

Dr. Nemeth is Louisiana's Council Representative to the American Psychological Association and is a member of the Louisiana Academy of Medical Psychology.

Dr. Nemeth is the 2010 recipient of the Louisiana Psychological Association's Distinguished Psychologist Award.

Clinical and School Social Work Consultant

Mrs. Delatte, who has a master's degree in social work, has been a Louisiana Licensed Clinical Social Worker (LCSW) for over thirty years. For twenty-six years of those years, she worked as a school social worker with the East Baton Rouge School System, Pupil Appraisal Services division, as part of evaluation teams assessing children of all ages for possible special needs services, including eligibility for the Gifted and Talented programs. After retiring in January 2011, Mrs. Delatte joined the NCLA's educational team, as the social work consultant. As consultant, Mrs. Delatte is the liaison between the NCLA team and parents and school personnel to assist teachers in understanding how the child's condition impacts his/her learning, as well as in implementing the accommodations/recommendations in the classroom as deemed appropriate for the child by the NCLA team.

Gale M. Delatte, LCSW

Educational Diagnostician

Ms. McElroy has over 43 years of experience as a professional special educator in both private and public schools. Prior to retiring from public service, she worked for 12 years at the Louisiana Department of Education as the State Supervisor of Educational Diagnostic Services, she was one of the contributing editors of Bulletin 1508, Pupil Appraisal Handbook, and she served twice at State President of the Louisiana Educational Diagnosticians Association (LEDA) and continues to serve as LEDA's lobbyist.

Patricia A. McElroy, Ed.S.,
NCED

Nationally, Ms. McElroy was instrumental in creating the National Certification of Educational Diagnosticians Board, served nine years as a National Director, and contributed in the development of the NCED National Exam.
